Re: Teo Jun Heng (10259970K)

Dear Sir / Mdm,

Jun Heng was the President and Vice-Captain of the Ngee Ann Polytechnic Water Polo Club for the 2025/26 and 2024/25 seasons respectively. His duties spanned a broad spectrum of activities, including organizing club training, liaising with coaches, recruitment drives, leading the club's ExcOs and managing the club's affairs.

During his appointed term, Jun Heng had shown that he is a very reliable student leader who can be entrusted with responsibilities. He demonstrated dependable leadership capabilities and worked remarkably well with committee members, coaches and teammates across a wide range of activities ranging from managing club affairs, coach management and beyond.

Jun Heng's main strengths are being analytical, capable and passionate. He constantly motivates and encourages his teammates to attend regular training and to strive harder to achieve new levels of performance during every training session. Jun Heng has proven that he is able to command and earn the respect of the team thus validating that it is the right decision to appoint him first as a Vice-Captain and then subsequently promoting him to a more senior role, President.

I am confident that Jun Heng will continue to excel in his field and would wholeheartedly recommend him to any prospective school or employers. I would also like to take this opportunity to wish the very best in his future endeavours.
